# Celebrating

## Dean Dennis O. Lynch

UNIVERSITY OF MIAMI  
SCHOOL OF LAW

On this very special and memorable occasion we will gather not only to honor Dennis Lynch as a scholar, a professor, a dean and a dear friend, but also to express our friendship, affection and gratitude for his dedication, commitment and leadership which he has demonstrated throughout his service to the University of Miami School of Law, particularly in his position as Dean.

During his tenure as Dean, the School of Law has gained prominence not only in our community, but also in the nation, as well as internationally. The quality of students and faculty has greatly increased throughout the years, as have the programs offered by the School, making the legal education at the School of Law solid and excellent.

His constant dedication and loyal support of the School and its alumni has enabled him, during his tenure, to more than double the endowment of the School of Law. It is our goal to establish an endowed scholarship in his name so that future generations will be able to benefit from this tribute to Dennis. His accomplishments, tremendous contributions and personal qualities, as expressed by his kindness and compassionate nature, have endeared him to all who have come in contact with him. We are indeed fortunate that he will rejoin his faculty colleagues and return to the classroom after taking a well-deserved yearlong sabbatical.

I invite you to join us for this special night when we will, in an informal but collegial atmosphere, pay tribute to Dennis, the friend, teacher and leader.
