OVERVIEW

Since its inception in 1991 and after a two-year hiatus from 2009, the University of Miami School of Law proudly announces once again the reinstatement of its **LONDON SUMMER PROGRAM**, an exciting three-week segment in Session 1 of our Summer Abroad Programs in 2012. The **LONDON SUMMER PROGRAM** will again be presented at Bentham House, the Faculty of Laws building at University College London ("UCL"). Located centrally in the Bloomsbury district of London, UCL offers an ideal living and learning experience for the study of law abroad. In previous years approximately 35 students from all over the United States participated in the **LONDON SUMMER PROGRAM** in Session 1 and 75 students in Session 2. Of these students a combined total of 45 were from nineteen law schools other than the University of Miami School of Law. Students from over 120 different law schools have attended previous programs in London. It is anticipated that 2012 enrollment will be approximately 40 students in Session 1 of our **LONDON SUMMER PROGRAM** and 80 students in the **LONDON "OLYMPIC" PROGRAM** in Session 2.

The **LONDON SUMMER PROGRAM** first session will begin on June 25 and end on July 16, 2012. Courses will be taught by members of the faculty of law from the University of Miami School of Law and distinguished universities in the United Kingdom. Each student will enroll in one of two 3-credit courses offered from June 25-July 16 in the first session of the **LONDON SUMMER PROGRAM** and enroll in one course from an offering of two 3-credit courses in the **LONDON "OLYMPIC" PROGRAM** in the second session from July 23-August 13, 2012 for a total of six credits and will participate in exciting and informative excursions..

Single room accommodations arranged in self-catered flats of up to 5 rooms around a kitchen/dining room and bathroom are provided in Schafer House residential hall, a modern UCL dormitory opened in 1995. Schafer House is located on Drummond Street in Central London, approximately a 10 minute walk to Bentham House UCL Faculty of Laws school building where classes will be conducted.

The **LONDON SUMMER PROGRAM** is one of the best located, most comprehensive and most inclusive summer abroad programs.

An exciting array of special events and guided tours are included at program expense.

Following the conclusion of the **LONDON SUMMER PROGRAM**, Session 1, an 8-day intercession is scheduled during which students may take advantage of an optional 8-day French Optional Intercession Tour presented by Contiki Holidays, the world's largest travel company for 18 to 35 year olds, or travel to European destinations on their own, before continuing with the **LONDON "OLYMPIC" PROGRAM** in Session 2 from July 23-August 13, 2012.

COURSES

STUDENTS SELECT ONE OUT OF TWO COURSE OFFERINGS

GLOBAL LEGAL ENTREPRENEURSHIP (3 Credits)

Professor John A. Flood, University of Westminster School of Law, London. Now that commerce and financial services are twenty-four/seven activities, law has had to adapt to the new order. The course explores a number of issues that arise from the globalization of law, especially the phenomenon of globalization itself, the growth of the global law firm, the development of multidisciplinary practice, the adaptation of legal education to globalization, and what lawyers contribute to global legal practice. Topics include "Globalization; economic and cultural principles" (including some differences in legal systems), and the growth of the large firm and the emergence of the global law firm, with special reference to the U.S. and the U.K. We will also look at the privatization of dispute resolution through arbitration, Chinese ways of forming relationships, the globalization of bankruptcy, and from a human rights perspective, how landless and dispossessed peoples are struggling to redefine globalization in their favor.

INTERNATIONAL HUMAN RIGHTS (3 Credits)

Professor (Dr.) Virginia Mantouvalou, University College London (UCL), England, U.K. This course provides an introduction to international human rights law. It examines the basic mechanisms for the protection of human rights on a regional and international level, and the substantive law on specific rights. It explores the nature and foundations of civil and political rights, such as the right to privacy and the prohibition of torture, as well as social and labour rights, like the right to work and the right to housing. Other contemporary topics that are covered include the rights of migrants and issues of modern slavery. Theoretical problems that are raised throughout the course include universality and cultural relativism, soft and hard law, the role of non-state actors, positive and negative duties.

THE FACULTY

JOHN A. FLOOD, Professor of Law and Sociology at the University of Westminster School of Law, London, is both a lawyer and a sociologist with law degrees from the U.K. (LL.B., London School of Economics; LL.M., Warwick University) and the U.S. (LL.M., Yale Law School) and a sociology Ph.D. from Northwestern University. He has researched and taught at the American Bar Foundation (Chicago), Indiana University (Bloomington),

European University Institute (Florence). His research and numerous publications has focused on two themes, the legal profession and the globalization of law. In 2009 he was a Visiting Professor at the Institute for the Study of the Transformation of the State, Bremen University, Germany. He is currently a Visiting Professor at the University of Miami School of Law, Miami, Florida.

DR. VIRGINIA MANTOUVALOU is Co-director of the UCL Human Rights Institute and Lecturer in Law. She is the author of *Debating Social Rights* (with Conor Gearty, Hart, 2011), as well as articles, book chapters and essays in human rights, labour law and European law. She holds a Ph.D. from the London School of Economics, an LL.M. in Human Rights from the London School of Economics and an LL.B. from the University of Athens. In 2010 she was a Visiting Scholar at Georgetown University Law Centre in Washington, D.C. Professor Mantouvalou has also worked as a Consultant for the International Labour Organisation.

COURSE MATERIALS

All courses will be self-contained. Books and other required materials for the courses will be supplied at the organizational meeting scheduled on the first day of classes, Tuesday, June 26, in London. All courses will be taught in English.

PROGRAM EXCURSIONS

The **LONDON SUMMER PROGRAM** in the first session incorporates a weekend to the English Countryside June 29-July 1. Students will be invited to our traditional 3-day Cotswold English Countryside weekend trip which encompasses several outstanding attractions.

MEDIEVAL WARWICK CASTLE. We take you back through Warwick Castle's 1,000 year history to a time of bloody battles, extravagant banquets and royal ceremony. Visit the Madame Tussaud's waxworks display where you can hear the Earl of Warwick as he prepares for battle. See the gruesome dungeons where prisoners were tortured. Alternatively, you might like to stroll through the Castle's lovingly ten'ded gardens.

STRATFORD-UPON-AVON. It is the birthplace of William Shakespeare, steeped in culture and history. Set in the beautiful rural Warwickshire countryside, on the banks of the river Avon, it is one of the most important tourist destinations in the UK. The Royal Shakespeare Company (RSC) is the centre of the Shakespearean universe with other operations in London and Plymouth. Here we find the finest actors and directors working on great plays in some of the best theatre spaces in the world. The RSC in Stratford offers three theatres providing an elaborate range of drama, ancient and modern, classic and contemporary. Stratford is a small town

Roman Baths beside Abbey Church, Bath, England

surrounded by glorious rural countryside. There are many beautiful small villages each with their own charm and history.

OXFORD. This is the city of Dreaming Spires and home to the world's most famous university. Its colleges date back to the 13th century, an inspiration to generations of scholars including President Bill Clinton, and the authors J R R Tolkien, Lewis Carroll and C S Lewis. Our guide will take you on a fascinating walking tour to see Christ Church College, where Harry Potter was filmed, the Bodleian Library and the Sheldonian Theatre. There will be some free time too, perhaps to shop for an Oxford University sweatshirt or enjoy a coffee in one of the many pavement cafes.

BATH. Visit the heart of the World Heritage Site. Around Britain's only hot spring, the Romans built a magnificent temple and bathing complex that still flows with natural hot water. See the water's source and walk where Romans walked on the ancient stone pavements. The extensive ruins and treasures from the spring are beautifully preserved and presented using the best of modern interpretation. The choice of night-time entertainment in Bath is forever increasing with a mix of pubs, bars and clubs, an exciting theatre and film culture, as well as a vibrant live music and comedy scene.

STONEHENGE. Stonehenge is a prehistoric monument located in the English county of Wiltshire. One of the most famous sites in the world, Stonehenge is composed of earthworks surrounding a circular setting of large standing stones and sits at the centre of the densest complex of Neolithic and Bronze Age monuments in England, including several hundred burial mounds.

As you can see, a significant effort is made at program expense to introduce our **LONDON SUMMER PROGRAM** students to a wide variety of legal, cultural and historical attractions.

CONTIKI HOLIDAYS

The 3-day weekend to the English Countryside will be presented in cooperation with Contiki Holidays, the world's largest travel company for 18 to 35 year olds for over 45 years. All logistical components of the English Countryside weekend are being arranged by Contiki Holidays. Students will be in tourist class, twin share hotel rooms with private facilities with the same gender unless requested otherwise. Hotel arrangements are subject to availability. If required, hotels of similar quality will be substituted by Contiki Holidays.

The tours in London will be arranged separately from Contiki Holidays with a London Tour Guide specializing in legal matters.

THREE-DAY WEEKEND BREAK

A three-day weekend break is provided from Friday, July 6, through Sunday, July 8, so that students can explore Scotland, Ireland, Amsterdam, Paris, etc., on their own.

ACCOMMODATIONS

The educational experience in London will be steeped in legal tradition, but the accommodations will feature all the comforts and convenience of contemporary London. PROGRAM INTERSESSION AND FRENCH OPTIONAL INTERSESSION TOUR – JULY 16-23, 2012

For the week of Monday, July 16, to Monday, July 23, an intercession has been incorporated at the end of the 2012 LONDON SUMMER PROGRAM in Session 1. During this period, all students must check out of UCL Schafer House residential hall for either self-directed travel in Europe or participation (not included in Program costs) in the Contiki Holidays French Optional Intercession Tour to Nice, Grenoble, and Paris, France, with visits to Cannes, Monaco, and Avignon before arriving in London from Paris on the Eurostar Train at the end of the Tour.

Reservations for the Contiki Holidays French Optional Intercession Tour must be made at the same time of application for the LONDON SUMMER PROGRAM in Session 1. Students wishing to participate in the French Optional Intercession Tour must make their own air travel arrangements one-way from London to Nice, France, and make their own way from the airport to the designated hotel in Nice on Monday, July 16, to begin the Contiki Holidays France Tour.

If you plan to stay in London, separate booking accommodations during the intercession must be made directly with UCL Schafer House. Storage for excess baggage during the intercession will be available free of charge at UCL Schafer House for students traveling on their own or participating in the France tour arranged through Contiki Holidays. Prior arrangements for self-directed travel during the intercession are recommended.

TRANSPORTATION

Students attending the 2012 LONDON SUMMER PROGRAM in the first session are expected to make their own air travel arrangements to England (departing the U.S. on Sunday evening) to arrive on Monday, June 25, at either Heathrow International (preferred) or Gatwick International Airports. Early booking is essential as London is a very popular tourist destination and will be hosting the 2012 Olympics.

During the intercession period from July 16-23, students in the LONDON SUMMER PROGRAM first session participating in the Contiki Holidays French Optional Intercession Tour during the intercession must make their own air travel arrangements to arrive on Monday, July 16, in Nice, France, and make their own way to the designated hotel to begin the Contiki Holidays French Optional Intercession Tour.

PASSPORTS AND VISAS

It is each participant's responsibility to have a valid passport and all visas, permits and certificates required for all Summer Abroad Program destinations. U.S. citizens need only a valid passport. Other nationalities should consult a travel agent or contact the Consulate Office of the country or countries being visited to inquire about visa entries and how to obtain them. Additionally, before departure to England all students will be provided a Confirmation Letter by the University of Miami which is required to present to U.K. Customs officials upon arrival in London certifying participation as a visitor student to study abroad at our host school—University College London Faculty of Laws in London.

HEALTH AND TRAVEL INSURANCE

In accordance with the University of Miami Law School requirements and the American Bar Association rules, all students participating in a summer study abroad program must obtain and provide proof of health insurance that provides reimbursement for health care abroad for the entire duration of the program and should consult their home school or current insurance policy to determine health insurance eligibility. In addition, students are strongly advised to consider purchasing travel insurance that covers trip cancellation or interruption.

If you do not have the required health coverage or wish to obtain optional travel insurance for travel abroad, the University of Miami School of Law suggests that you apply at time of application. For a complete description of purchasing medical protection/health insurance, travel insurance coverage, travel accident protection, worldwide emergency assistance and travel deals and discounts, these websites—www.isecard.com, www.statravel.com, or www.ISICus.com—can help you through the process with complete terms, conditions and exclusions.

In addition, all students who are traveling abroad under the auspices of the University of Miami must register with the University of Miami Red24 Emergency Evacuation website at: <https://www.red24.com/affiliate/chartis/um/> prior to departure from the U.S. This is a required mandated University of Miami policy. The link can also be found in myUM under Online Resources. Students must input their entire itinerary including all locations traveled. Should the itinerary change at any time prior to and/or during the trip, the changes must be updated in the Red24 website.

A copy of the Foreign Travel Insurance Form must be printed and carried by the student while traveling. The form can be found at: <https://www6.miami.edu/travel/International-Travel/Foreign-Travel-Insurance.pdf>.

Students who require travel medicine consultation and/or immunization should schedule an appointment at the Student Health Service or other medical provider at least six weeks prior to travel.

Any student who does not register with the University of Miami Red24 program prior to travel will not be authorized to travel. Also, failure to comply with this policy may lead to the non-recognition of credits by the University of Miami for courses taken abroad.

STUDENT LOANS/FINANCIAL AID

The financial aid budget available for the 2012 **SUMMER ABROAD PROGRAM** segments is adequate to meet all your financial needs associated with your summer study of law abroad but it is not generous. The Staffords are still at \$8,500 Subsidized and \$12,000 Unsubsidized per year. The interest rates are at 6.8%, but may change next July 1st. In addition to the federally regulated Stafford loan, students can also apply for a Graduate Plus loan, which together fund the full cost of the program. The Grad Plus, would cover any difference between the student's Staffords up to the budget cost of the program. The Grad plus interest rate is at 7.9%. The Graduate Plus loan is also a guaranteed federally regulated loan employing the same processing system as the Stafford loan. Both loans should be applied for at the same time, if needed.

All Miami students eligible for student loans may apply on line at www.law.miami.edu/finaid. All students must complete a FAFSA at www.FAFSA.ed.gov before considering applying for loans. Upon registration full details will be provided by the Financial Aid Office of the University of Miami School of Law. Applications for financial aid must be completed by the end of March 2012.

All visiting students must apply through their home school and check with their financial aid office regarding processing of consortium agreements, loans, and check disbursements in order to ensure timely disbursements of funds. **All registration fees, tuition and housing costs for all programs in Session 1 and Session 2 including the 8-day intersession Contiki Holidays French Optional Intersession Tour must be paid for in full before commencement of the Programs in Session 1.**
