

The staff at the Counseling Center wants to support your personal and academic goals. While we offer individual and short term mental health counseling, we usually adhere to a brief therapy model which typically allows for appointments every two to three weeks. If you require more intensive treatment, we can assist with finding you an off campus provider.

The Counseling Center is open Monday, Wednesday and Friday from 8:30 a.m. to 5:00 p.m. and Tuesday and Thursday from 8:30 a.m. to 7:00 p.m.

We are located at the Center for Student Services, 5600 George Merrick Dr. Building 21-R.

Appointments can be made by calling 305-284-5511. Alternatively, you can walk into the counseling center and schedule an appointment.

During evenings and weekends, counselors are available for students in crisis who are referred by the [University of Miami Police Department](#) (305-284-6666).
