

OPEN A MIND WITH A BOOK

THREE DROP OFF LOCATIONS AVAILABLE FOR BOOKS!!!

Liberty Square is Miami's oldest government housing complex located in Liberty City. This area is surrounded by some of Miami-Dade's most struggling schools. In an effort to enhance the community center and create a safe haven for the neighborhood, Hands On Miami is creating a library in the Liberty Square Community Center.

By donating a **computer or books**, you will help promote reading, education and give the community access to more opportunities! "Open A Mind With a Book" by donating appropriate books in good condition. To donate a computer contact Jonna Gandelman at jonna@handsonmiami.org or 305-646-7461. We will only accept computers that are 2004 models or newer.

Thank you in advance for your contributions and for helping to build a better Miami.
