

The Economic and Employment Security (EES) unit at Legal Services of Greater Miami, Inc., is seeking to hire a law clerk to work with disability cases involving children and cases where disability benefits have ceased. The law clerk would conduct face-to-face intake interviews with potential clients, request and evaluate records, research and draft memorandums of law and fact, make recommendations in cases, and participate in weekly case discussion meetings. There are opportunities for outreach and observing administrative hearings. We are seeking law clerks with good writing skills and a desire to assist low-income populations. Bilingual (Spanish and Creole) desired but not required. For more information, please contact Ilenia Sanchez-Bryson at [ISanchezBryson@lsgmi.org](mailto:ISanchezBryson@lsgmi.org).
