

Dear Students: The wait lists are no longer being updated. They will be reposted August 11, 2008 the week before classes begin. Anyone approved on August 11 will have through the first day of classes, August 18, at 5pm to add the class. Please email us at lawreg@law.miami.edu or call 305-284-4825 if you want to add the approved class and are not on campus. Please include your C# and any other class you may need dropped.

You may add classes with open seats and drop classes throughout the summer. The system is open Monday-Friday 9am-5pm and at other times that do not have a set schedule.

Sincerely,

Cindy L. Busch
