

This ranking is published as of Wednesday, July 1, 2009. Students may determine their rank in the class by searching for their grade point average and identifying their corresponding place in the 3L class. Note that from semester to semester there will be changes in the class rank and class size which reflect a variety of factors, including but not limited to students who may transfer in to the School of Law, students who are away on leave of absence or students who are enrolled in joint degree programs. You should not rely upon this listing to determine your future or final class ranking or course load. Duplicate ranks are due to more than one student having the same GPA.
