ELECTION LAW

SYMPOSIUM

HOW FAR HAVE WE COME SINCE 2000?

SCHEDULE OF EVENTS

U OF M SCHOOL OF BUSINESS STORER AUDITORIUM

CONTINUING LEGAL EDUCATION CREDITS: 7.0

JANUARY 31, 2009

This year's Symposium will be devoted to current topics in Voting Rights and Election Law including the Supreme Court's recent decision in *Crawford v. Marion County Election Board*, the Democratic Party's handling of the Florida and Michigan delegate dispute, as well as a review of election reforms since 2000 with an eye on what still needs to be done to ensure every vote is counted.

Our Symposium is scheduled for January 31, 2009 at the University of Miami School of Business Storer Auditorium. The University of Miami will be the perfect medium for academic discussion on these matters because of the obvious relationship Miami and Florida have to Voting Rights and Election Law issues in recent elections, and the discussion will also be timely as it follows on the heels of the inauguration of our next president.

David Boies is the founder and Chairman of Boies, Schiller & Flexner LLP and is widely regarded as one of the nation's preeminent trial lawyers. He has been named "Lawyer of the Year" by the National Law Journal, runner-up for "Person of the Year" by Time Magazine, The Antitrust Lawyer of the Year by the New York Bar Association, and "Commercial Litigator of the Year" by Who's Who.

Mr. Boies is perhaps best known for serving as lead counsel for former Vice-President Al Gore in connection with the litigation relating to the 2000 Presidential election and arguing *Bush v. Gore* to the Supreme Court of the United States.
