

LLM CANDIDATES

Barbi Zambrano	<p>It would be an honor to represent the LL.M. students as their Senator. I know several students in each LL.M. program and would use these connections to be an effective spokesperson for each group of LL.M. students. Also, as a recent graduate of the J.D. program, I am familiar with the faculty and administration. I promise to be as approachable and compassionate as possible in order to convey and advocate all concerns to the Senate. It would be my honor to represent you. Thank you, Barbi</p>	
Eddie Safille	<p>As class senator, I would bring much experience to the position. Throughout law school, I held several leadership positions in the SBA and other student organizations. During my 1L year, I served as 1L Class Senator, and then as SBA Treasurer and President of the Business Law Society. During my 2L year, I was a Lt. Governor to the ABA, and served on an SBA faculty hiring panel. During my 3L year, I served as Vice President of the Federalist Society, and Founder of the Latin-American Law Students Association. I offer my experience, and fresh perspectives from another law school.</p>
